Quartet

Our music is a *cappella*, meaning without instrumentation. Performances can be as short as a surprise 10 minute singing Valentine, 20-60 minute event mini-show, or even 2-3 hours of live background music.

We are affiliated with Sweet Adelines International, a barbershop organization that supports education for women in the barbershop art form.

Whatever type of event you have, we have a special package for you to help make your celebration **extra special!**
